

## Register of Businesses achieving the Sustainable *Eel* Standard

The following businesses are registered as certified as able to trade in Sustainable Eel, according to independent assessment under the [Sustainable Eel Standard](#), and ratified by the Standard Panel of the Sustainable Eel Group.

### Important Note

Table 1 shows those who have passed the Sustainable Eel Standard and have been licensed to use the Sustainable Eel Standard logo. This indicates that they may hold a certified supply of sustainably sourced eel or eel product.

Customers wanting certified sustainable eel should check with the supplier(s) for evidence of a sustainable source.

The Sustainable Eel Standard logo is:

Table 2 shows those who have passed the Sustainable Eel Standard only and are not licensed to use the Sustainable Eel Standard logo. This shows which are capable of trading in certified sustainable eel, it does not show which are actually trading in certified eel.
