

## Register of Businesses achieving the Sustainable *Eel* Standard

The following businesses are registered as certified as able to trade in Sustainable Eel, according to independent assessment under the [Sustainable Eel Standard](#), and ratified by the independent Standard Panel of the Sustainable Eel Group.

### Important Note

Table 1 shows those who have passed the SEG Standard and have been licensed to use the SEG Standard logo. This indicates that they may hold a traceable supply of certified eel or eel product.

Customers wanting certified eel should check with the supplier(s) for evidence of their source.

The SEG Standard logo is:

Table 2 shows those who have passed the SEG Standard only and are not licensed to use the SEG Standard logo. This shows which are capable of trading in certified traceable eel, it does not show which are actually trading in certified eel.

<b>Table 1.</b> Those who have passed the SEG Standard and have been licensed to use the SEG Standard logo:			This indicates that they may hold a traceable supply of certified sourced eel or eel product. Customers wanting certified eel should check with the supplier(s) for evidence of a certified source.
